In what follows, you write your abstract. Please note the following remarks when preparing your abstract. Thank you very much for your cooperation.

Notice

- **Abstract is summarized within one page in this template file including figures, tables, and references.**
- **Please write your title with a bold font and 14 pt.**
- **Please use fonts bigger than 10 pt in text (the present font size is 12 pt).**
- **Abstracts in a booklet will be printed in grayscale. In the PDF-file, which will be uploaded in a web page, color abstracts will be available.**
- **Be careful for contents of your abstract related to unpublished data, any copyright materials, etc because we are planning to upload your file on the website so that anyone can read it without any access limitation.**
- **The abstract has to be submitted in MS-word or PDF format by e-mail. Please unlock any security protection of your abstract file for publication of booklet.**
